(2) One member of the Commission and the Chairperson thereof shall be the Chief Justice of the Supreme Court of Samoa, and another member thereof shall be the Chief Executive Officer.

(3) The Head of State, acting on the advice of Cabinet, shall by warrant appoint the remaining 3 members of the Commission, of whom one shall be a senior Samoan Judge.

(4) The Commission may not take any action until the 3 appointed members have been appointed.

(5) No person, by reason only of his or her being a member of the Commission, is deemed to be employed in the “Public Service” or in the “Service of Samoa”, within the meaning of
those terms as defined in Articles 83 and 111 respectively of the Constitution.

5. Term of office of appointed members – (1) The appointed members of the Commission shall be appointed for a term of 3 years, but may be re-appointed.

(2) An appointed member, unless he or she sooner resigns from office or is removed from office pursuant to section 6, continues in office until a successor comes into office even if the term for which the member was appointed may have expired.

6. Vacancies – (1) An appointed member may at any time be removed from office by the Head of State, acting on the advice of Cabinet, for disability, inefficiency, misconduct, neglect of duty, insolvency, or permanent departure from Samoa proved to the satisfaction of Cabinet, or may at any time resign from office by written notice addressed to the Minister.

(2) If an appointed member dies, or resigns, or is removed from office, the vacancy is to be filled in the manner in which appointment to the vacant office was originally made.

7. Deputies of members – (1) If the Chief Justice or the Chief Executive Officer is temporarily incapacitated by illness, absence or other sufficient cause from attending any sitting or other meeting of the Commission, he or she may authorise to attend that sitting or meeting as his or her deputy:

(b) for the Chief Executive Officer, any officer of the Ministry.

(2) If the Minister is satisfied that any appointed member is temporarily incapacitated by illness, absence or other sufficient cause from performing his or her duties as a member, the Minister may appoint a deputy to act for that appointed member during the member’s incapacity:

PROVIDED THAT, in the case of the senior Samoan Judge who is an appointed member, his or her deputy shall be another senior Samoan Judge.
(3) No deputy appointed under this section shall act as Chairperson of the Commission.

(4) A deputy is, while he or she acts as such, taken to be a member of the Commission.

8. Procedure of Commission – (1) If the Chief Justice is absent from a sitting or other meeting of the Commission, the members present shall choose one of their number to be the Chairperson of that sitting or other meeting.

(2) At each sitting or other meeting of the Commission, the quorum necessary for the transaction of business shall be 4 members.

(3) A question before a sitting or other meeting of the Commission is to be determined by a majority of the valid votes of the members present recorded thereon: PROVIDED THAT the Chairperson of each sitting or other meeting has a deliberative vote and in the case of an equality of votes has a casting vote.

(4) Subject to the provisions of this Act and of the Commissions of Inquiry Act 1964 and of any regulations made under this Act, the Commission may regulate its proceedings in such manner as it thinks fit.

9. Proceedings not affected by irregularities – No act or proceeding or determination of the Commission shall be invalidated in consequence of there being a vacancy in the membership of the Commission, or of the subsequent discovery that there was some defect in the appointment of any member or deputy member or that he or she was incapable of being or had ceased to be a member or deputy member.

10. Functions of Commission – The functions of the Commission are:

(a) to advertise for claims as provided by section 15; and

11. Status of Commission – The Commission, in addition to the status and powers conferred on it by other sections of this Act, shall have the same status and powers as a Commission appointed under the Commissions of Inquiry Act 1964, and all the provisions of that Act apply to and in respect of the Commission, unless the contrary intention appears and with any other necessary modifications:

d) may, on request by the claimant or when it appears to the Commission or the Chairperson thereof to be necessary and on payment by the claimant of the survey fees, order a survey of the land to which any advertised claim relates;

e) shall, as soon as reasonably possible after the expiration of the period of 6 months for giving notice in writing of an objection to an advertised claim, and after the deposit of the plan of any survey ordered in respect of the land to which the claim relates, make a fixture for the hearing of that advertised claim, and give at least 2 weeks' notice in writing of the fixture to the claimant thereunder and to each objector thereto; and

f) may, after considering the written and oral evidence given and the submissions made by or on behalf of the claimant under an advertised claim, and the written and oral evidence given and the submissions made by or on behalf of each objector thereto who appears at the hearing, determine—

(i) that the land is customary, freehold or public land; and

(ii) that the claim has not been established to the satisfaction of the Commission and is therefore rejected; or

(iii) that the claimant shall have a grant of the estate or interest claimed by him or her in the land where the Commission determines that the land is freehold land in law or in equity, and that
the claim has been established to the satisfaction of the Commission; or

(iv) that, despite anything to the contrary in the Land Ordinance 1959, the claimant shall have a grant of the estate or interest claimed by him or her in the land where the Commission determines that the land is public land in law, but that the claim has been established to the satisfaction of the Commission in equity; and

(v) that the title to be issued to the claimant shall be limited as to parcels, or as to title, or as to both.

(2) On the lodging in the office of the Chief Executive Officer for checking of a survey plan prepared pursuant to an order made under subsection (1)(d), the applicant shall serve notice in writing of such lodging on each owner or occupier of or person having the pule over land adjoining the land in the plan, and each such owner, occupier or person shall have a period of one month from the service of such notice in writing upon him or her during which he or she may give notice in writing to the Secretary of his or her objection to any boundary shown on the plan. The Commission shall have jurisdiction to hear and determine each such objection, and to order any consequential alteration of the plan. The Chief Executive Officer shall not deposit the plan prior to the expiration of each such period of one month and the determination of each such objection.

19. Barring of objections – Subject to section 24, any objection to a claim of which notice in writing is not given to the Secretary within the period of 6 months prescribed by section 18(1)(c) is taken to be invalid and is for ever barred, and the objection shall not be considered by the Commission or by any Court:

PROVIDED THAT an objection to a claim may be made to the Commission at any time prior to the hearing of that claim if the Commission is satisfied that because of reasonable cause the objector omitted to give to the Secretary notice of objection within the prescribed period.
20. **Customary land** – If the Commission determines that any land is customary land, it shall not make any determination or order as to the ownership or control thereof.

21. **Incidental or subsidiary orders** – The Commission may make any incidental or subsidiary order necessary to give effect to any determination made under section 18.

23. **Status of determinations and orders** – Subject to section 24, any determination and an order made by the Commission under section 18 or 21 are final.

24. **Removal of limitations on title** – (1) Where a title is issued limited as to parcels, that limitation shall be removed only on a proper survey plan of the land being prepared and deposited in the office of the Chief Executive Officer.

(2) On the lodging in the office of the Chief Executive Officer for checking of a survey plan prepared for the purpose of removing a limitation as to parcels, the applicant shall serve notice in writing of such lodging on each owner or occupier of or person having the pule over land adjoining the land in the plan, and each such owner, occupier or person shall have a period of one month from the service of such a notice in writing upon him or her during which he or she may give notice in writing to the Registrar of the Supreme Court of his or her objection to any boundary shown on the plan. The Supreme Court has jurisdiction to hear and determine each such objection, and to order any consequential alteration of the plan. The Chief Executive Officer shall not deposit the plan prior to the expiration of each such period of one month and the determination of each such objection.

(3) Where a title is issued limited as to title:

(a) that limitation shall be removed by the Registrar on the expiration of one year from the date of issue of the title unless any person who was not in
Samoa during any part of the period of 6 months prescribed by section 18(1)(c) and who was neither an applicant nor an objector under the foregoing provisions of this Act in respect of the land for which the title has issued, issues proceedings in the Supreme Court within that year claiming an estate or interest in the land for which the title has issued; and

(b) if any such person does issue any such proceedings within that year, the Supreme Court shall, notwithstanding anything to the contrary in the foregoing provisions of this Act, have jurisdiction to hear the proceedings and to vary the determination and any order made by the Commission or to revoke the same and substitute a determination and order made by the Supreme Court or to reject the claim. If the claims made by all such proceedings in respect of any title are rejected the Court shall remove the limitation as to title.

25. Fees of Commission – There shall be payable to the Secretary, for each transaction described in the Schedule, the fee set opposite thereto in that Schedule.

26. Regulations – The Head of State, acting on the advice of Cabinet, may make:

(a) regulations not inconsistent with this Act or the Commissions of Inquiry Act 1964 governing the proceedings of the Commission; and

(b) all such other regulations as necessary or expedient for giving full effect to the provisions of this Act and for the due administration thereof.
