

## INDUCTION PROGRAM

8th May 2024

Induction Training for our Newly Recruited Staff .  
An induction and Training session was conducted for our new staff who have joined the Ministry this year. Presentations mainly focused on the Ministry's Vision and Mission, its core functions, the Ministry Structure, the National Planning Framework, Public Service Act 2004 (section 17 – Section 19) and the Working Conditions and Entitlements 2015.

## MNRE FITNESS PROGRAM

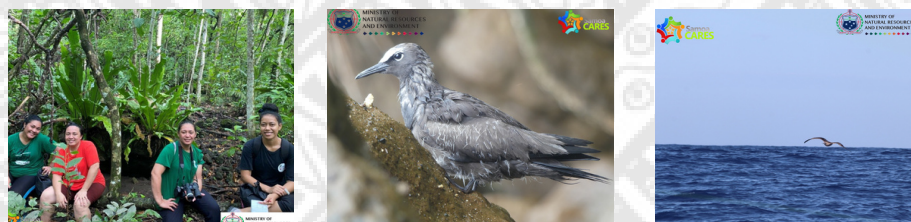

2nd May 2024

An one hour program conducted by the Ministry to keep the health in check and to help lose some weight.

## NU'UTELE ISLAND SEABIRD MONITORING SURVEY

10TH - 12TH May 2024

The Seabird Monitoring Survey is a crucial biodiversity conservation effort led by the MNRE-DEC, in joint efforts with SPREP and SCS as key partners, and it is implemented nationally under the leadership and overall management of the Division of Environment and Conservation, MNRE.
